She was surprised.

Husband (reading): "Here is a very interesting article from Japan, on the Mikado."

Wife: "Dear me! has the Mikado craze really penetrated to Japan? It is quite astonishing."

She was more surprised when she heard that Oleovich Bros. are selling 12 lbs. granulated sugar for \$1.00. To face flourings, laces, parasols and ladies wear of every description Oleovich Bros. take the lead. Groceries, shoes and furnishing goods are also always kept in stock at Oleovich Bros.

W. D. TORREYSON.

—Mrs. D.P. Bowers, July 5th,
 in Queen Elizabeth.

—Hank Martin has landed his
 big wood pile in Empire.

—Mr. Lincoln of the V. & T.
 Shops has purchased the Riskey
 property.

—Since Harrison's nomination,
 it is not easy to find any Democrats
 in Indiana.

—This election will settle the
 question as to whether Great Brit-
 ain runs the country or not.

—After the Campaign is over it
 will be "The Old Roman Candle"
 why did we use it off so soon?

—The British newspapers are all
 saying the Republican ticket,
 Harrison is no friend of theirs.

—Ben Butterworth and McKen-
 ney of Ohio say to General Harrison:
 "We have met you and we are
 yours."

—Mrs. Hodgkinson has gone
 below to remain permanently. The
 Hodgkinson house was sold to Mr.
 Burke, the plumber.

—The morning train did not get
 in yesterday until afternoon. If we
 had an afternoon train it would get
 in the next morning.

—It is said that the ghost of Mrs.
 Cune haunts the West end of town
 and almost every body up that way
 claims to have seen it.

—Young Dunn the Indian who
 killed young Winnemucca has been
 examined before the Commissioners
 and bound over to appear before
 the U. S. Grand Jury.

—Gen. T. Davis has just received
 some pure Maple Syrup of this year's
 run, soldered and sealed in the rock
 Maple groves of Vermont.

Try it on biscuit and hot cakes.

—Somebody ought to tell Presi-
 dent Cleveland before long that he
 is a candidate for re-election. He
 goes on writing veto messages and
 attending to other public duties as
 though his present term had not
 entered its last year.

—Avoid the use of calomel for
 bilious complaints. Ayer's Cathar-
 tic Pills, entirely vegetable, have
 been tested forty years, and are ac-
 knowledged to be the best remedy
 for torpidity of the liver, costive-
 ness, and indigestion.

—The Alta protests against the
 Republican party appropriating the
 American flag as a Campaign ban-
 ner. The Democrats tried to appro-
 priate the same banner at Shiloh
 and Missionary Ridge but it seemed
 to have been too strongly held.

—A Stockton preacher declares
 that some of the bathing suits worn
 at the seashore should be prohibited
 by law. Much attention will be
 drawn to this subject during the
 Summer. Legislators who visit the
 seashore will doubtless look into it.

—Ayer's Sarsaparilla operates
 radically upon the blood, thor-
 oughly cleansing and invigorating it.
 As a safe and absolute cure for the
 various disorders caused by consti-
 tutional taint or infection, this rem-
 edy has no equal. Take it this
 month.

—Nobody should regret that the
 "bandana" is already nearly wiped
 out. It was a good enough thing
 for a sport at the start, but had no
 lasting quality, as it was so easy to
 displace the offensive red cloth with
 the "true blue," and to then overtop
 it by the always popular combina-
 tion of the stars and stripes.

A. BERGMAN.

Tired of the Democrats.

A circular is being sent out by a
 committee of citizens, in San Fran-
 cisco, to influential people in all
 parts of the country, asking them
 to unite in an effort to reform the
 city government and assist in the
 overthrow of bossism and the eleva-
 tion to places of public trust and re-
 sponsibility of honest and compe-
 tent men. The circular asserts that
 National and State politics will not
 be mended with.

The Alta, of San Francisco, has
 been for years under Democratic
 rule and become rotten with politi-
 cal leprosy.

The gangs of thieves, robbers
 and ruffians that run the Municipal
 politics would most of them disgrace
 a penitentiary.

This is a good year to overthrow
 Buckley and his followers.

A Real sign of Prosperity.

The San Francisco papers are
 commenting on the prosperity of the
 Cornstock by noting the fact that
 the Virginia Enterprise has a new
 dress.

People should invariably gauge
 the prosperity of a town by the ap-
 pearance of its newspapers.

The moral of this is that if you
 want your town to be well thought
 of abroad patronize the home paper
 and see that it can afford to be pre-
 sentable.

You can depend on it that when
 the Enterprise gets a new dress it
 is regarded as a sure sign on Pine
 street that things are solid on the
 Cornstock and the tone of the
 market is improved.

People in Virginia city ought to
 see that the Enterprise is always
 in good form.

Three of a Kind.

There was a good house last night
 to see Miss McHenry in "3 of a
 Kind."

The incidents are happy, the say-
 ings are mostly witty, and not one
 of them is dull, although the auth-
 or's inclination towards punning is
 possibly indulged in to an extent
 that some auditors may regard as
 excessive. The interest is sustained
 throughout and mirth reigns al-
 most incessantly. Blair, Nellie
 McHenry, T. E. Jackson, and John
 Webster bore off the honors for act-
 ing. Jackson's old maid was a
 study, a flirtation in the second act
 conducted in dumb show with a
 phantom female was especially to
 the liking of the audience, and Miss
 McHenry's songs were demanded
 again and again.

Treed at Last.

John W. Pearson the famous
 Wild Cat mine manipulator has
 been arrested on four charges of
 embezzlement aggregating \$80,000,
 in connection with the manage-
 ment of the Phil Sheridan. For
 many years Pearson has worked
 this little Wild Cat by selling the
 stock at high figures, levying a big
 assessment and gathering in stock at
 bed rock rates. He kept up this
 milking of the street until he amas-
 sed a large fortune.

He has never been regarded as
 an honest man in mining circles
 and thousands of his victims will
 be glad to see him in the peniten-
 tiary.

A Blower Silenced.

Last evening a man on the streets
 asserted that he would under no
 circumstances vote for Harrison.
 "I'll bet you \$50 that you will not
 vote for Cleveland" remarked a
 quiet man in the crowd.

The fellow stopped talking and
 looked uneasy. "Bet you fifty more
 that you won't vote for a single
 nominee on the County Democratic
 ticket" continued the quiet man.
 The other disappeared. Then the
 man who offered to bet told the
 crowd that the other party was not
 even naturalized and had not yet
 filed his first papers.

Young Republicans.

There are nearly forty young
 men in this City who will cast their
 first vote for President in November
 next and with but two exceptions
 they will vote for Harrison.
 The fathers of some of these
 young men are Democrats but they
 propose to join the party of pro-
 gress at the start.

Stewart Endorsed.

If it had occurred to somebody to
 nominate Senator Stewart of Ne-
 vada for the Vice-Presidency there
 would have been enthusiasm.—Alta.

Back Again.

The serpent has been heard
 from once more, and this time in
 Lake Tahoe. Two men in the em-
 ploy of Dr. Kirby at Emerald Bay
 while rowing on the Lake during
 one of the moonlight evenings of
 last week discovered a strange ob-
 ject swimming towards them. It
 passed their boat within a short dis-
 tance and was moving so slowly
 that they had ample time in which
 to examine it. According to their
 description the head of the monster,
 the only part above water, was
 about the length of their boat and
 resembled a serpent in appearance.
 It did not offer to molest them in
 fact did not seem to notice them
 and soon passed out of sight. They
 did not lose any time in getting to
 the head of the Bay, some three miles,
 and their fright did not wear off for
 some time. Any insinuation regard-
 ing the truth of their statements is
 met with an indignant denial, and
 they are evidently sincere in their
 belief.—The Tahoe Tourist.

Harrison's Vote.

The Democratic papers are loud in
 their assertion that Harrison voted
 to naturalize the Chinese.

The only record on the subject is
 found in the proceedings of Con-
 gress, volume 13, page 3411 of the
 Congressional Record:

Mr. Edmunds—I move to amend
 section 14 by inserting:

Nothing in this act shall be con-
 strued to change the existing natu-
 ralization laws so as to admit Chi-
 nese to citizenship.

Mr. Harrison voted "aye" on
 this amendment. This is the sole
 record on the question.

Anything further than this may
 be set down as pure fabrication.

What Killed Sherman.

Sherman charges that the Alger
 managers bought 50 of his delegates
 and charges treachery.

What killed Sherman was the
 speech of Senator Stewart exposing
 the villainous sale of John Sherman
 to the Gold Bug ring of Wall street
 and the lie he told Congress when
 he sneaked the bill through Con-
 gress which demonetized silver in
 the interest of British Bond-holders.

Sherman knows devilish well
 what killed him in Chicago but he
 hates to admit it.

The Babies Cry For It.

And the old folks laugh when
 they find that the pleasant Califor-
 nia liquid fruit remedy, Syrup of
 Figs, is more easily taken and more
 beneficial in its action than bitter,
 nauseous medicines. It strength-
 ens the Liver, Kidneys, Stomach,
 and Bowels, while it arouses them
 to a healthy activity. For sale by
 Geo. C. Thaxter, Agent.

Ella Chesley Married.

Eleanor Barry, formerly of the
 Alcazar stock company and recent-
 ly with Rosina Vokes, was married
 in New York on the 13th instant,
 to a newspaper man. Miss Barry
 is the daughter of ex-Secretary of
 State Babcock, of Nevada, and di-
 vored wife of James G. Chesley.
 She will retire from the stage.

Naturalizing Chinamen.

There is a Chinaman in this city
 who is a regular voter.

He says he was naturalized in
 Texas by Democrats who compell-
 ed him to vote their ticket or quit
 working on the railroad.

The Texas Democrats are fond of
 Chinese votes.

—The springing of Harrison's
 Chinese record by thoughtless
 Democrats has proved a regular
 boomerang.

In 1881 he voted against an anti-
 Chinese bill.

He afterwards gave the matter
 considerable study and in 1886
 voted for a stringent restriction
 bill, and it was smothered in the
 Democratic House Committee at the
 investigation of President Cleveland.

—C. C. Thomas of Sutter an old
 line Democrat has come out openly
 for Harrison. Cleveland antics
 have sickened him.

—Oh, have you heard the news
 from Maine?

How she went

Hell bent

For Governor Kent,

Tippecanoe and Tyler too.

—The man who said that the
 Republican speakers talked to
 "empty benches" at the ratifica-
 tion meeting last Tuesday seems to
 have overlooked the fact that the
 only empty bench in the house was
 the one he sat on.
